MATHS

at Griffydam Primary School

Class 4 Inspire Workshop

WELCOME

You need:

White board and pens

Evaluation Sheets

Maths booklet 1 to give to parents.

TABLE OF CONTENTS

01

How and why we
teach Maths the way we do
at Griffydam.

02

Come and do
some maths with us.

03

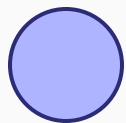

What you can do at home
to support your child.

Feedback

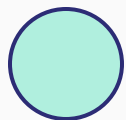

MATHEMATICS AT GRIFFYDAM

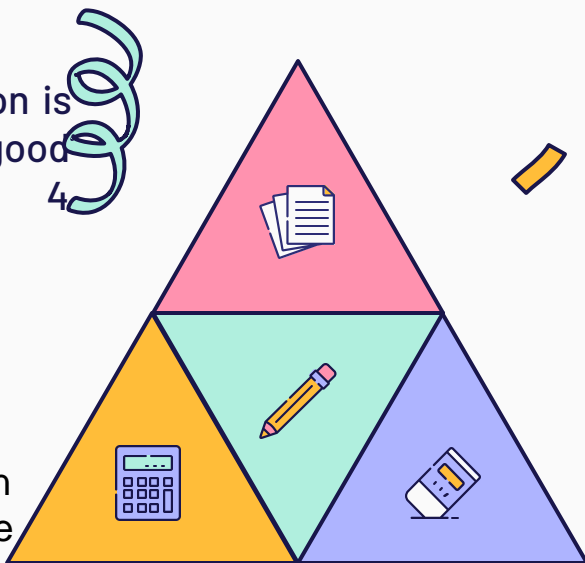

Arithmetic

A separate arithmetic lesson is taught daily to ensure a good understanding of the 4 operations.

Problem Solving

The children have an opportunity to experience maths across the curriculum. For example in Science.

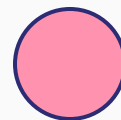

White Rose

We have always used the White Rose overview for maths but we now use the resources and booklets in our lessons too.

Home

Homework for Maths is in the form of:

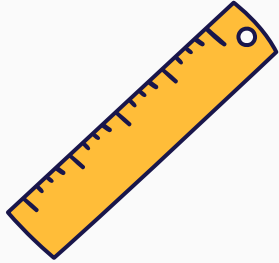

- Century
- TTRockstars
- Work sheets

01

Arithmetic

$$2 + 2$$

In Class 4 we use Mini Maths for our arithmetic resources.

YEAR 6	
Week 1 - Monday	
Addition & Subtraction Written Methods	Back to Basics
Using the column / vertical method, calculate the following:	
1.) $587 + 212 =$	5.) $\frac{1365}{6} =$
2.) $376 + 241 =$	6.) $2,336 \times 4 =$
3.) $734 - 213 =$	7.) $5,945 + 6,232 =$
4.) $683 - 251 =$	8.) $7,223 - 1,500 =$

Resources to support Maths

White Rose-Link

Links to Videos that will inform you about the current topic that your child is learning in maths.

My Mini Maths

A site full of resources to help with arithmetic and maths across the Primary age range.

Times Tables Rock

Stars

A fun program to consolidate knowledge of the times tables.

Homework

Century Nuggets. Children should aim to complete between 10 and 20 per week.

SATS Support

There are many ways you can support your child in the run-up to SATs:

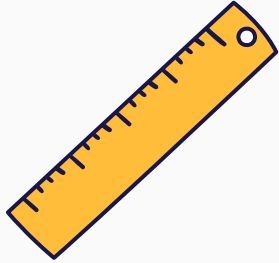

- Practising times tables/encouraging the use of TT Rock Stars
- Following their pathway in the Maths section of Century
- Revision guides that are available in all good bookshops/Amazon.
